References are made to (i) the joint announcement dated 8 June 2026 (the "**Joint Announcement**") issued by Contel Technology Company Limited (the "**Company**") and Zhuangyan Investment International Limited (the "**Offeror**") in relation to, among other things, (a) the Subscription and the Placing under Specific Mandate; (b) the proposed Increase in Authorised Share Capital; and (c) the Offer; (ii) the joint announcements dated 29 June 2026 and 3 July 2026 issued by the Company and the Offeror in relation to the delay in despatch of the Composite Document (the "**First Delay in Despatch Announcements**"); and (iii) the joint announcement dated 29 July 2026 issued by the Company and the Offeror in relation to the Subscription Completion, the Placing Completion and the monthly update of the Offer. Unless the context otherwise requires, capitalised terms used in this joint announcement shall have the same meanings as those defined in the Joint Announcement.

As disclosed in the First Delay in Despatch Announcements, an application has been made to the Executive pursuant to Rule 8.2 of the Takeovers Code for its consent to extend the deadline for the despatch of the Composition Document to a date falling no later than (i) 7 days after the Subscription Completion; or (ii) 7 August 2026, being 7 days after the Subscription Long Stop Date, whichever is earlier. The Executive has granted such consent.

Given that the Subscription Completion is completed on 29 July 2026, the Composite Document is required to be despatched by 5 August 2026.

The first draft of the Composite Document was submitted to the Executive for vetting around the date of the Subscription Completion and Placing Completion, i.e. around 29 July 2026, on the misunderstanding that the Composite Document should be submitted for vetting only when the occurrence of the Subscription Completion and Placing Completion is reasonably imminent and that the Offer would become unconditional. The inadvertent misapprehension regarding the appropriate timing for submitting the Composite Document to the Executive has resulted in a compressed vetting timetable and the Executive not being given a reasonable time to review the Composite Document in accordance with Rule 12 of the Takeovers Code. As additional time is required for the finalisation of the information to be included in the Composite Document, including but not limited to addressing the Executive's comments on the letter of advice from the Independent Financial Adviser, it is anticipated that the Composite Document could not be despatched on or before 5 August 2026.

An application has been made by the Offeror and the Company for the Executive's consent under Note 2 to Rule 8.2 of the Takeovers Code to further extend the deadline for the despatch of the Composite Document to 21 August 2026. The Executive has indicated that it is minded to grant such consent.

The Offeror and Company apologise to the Shareholders and potential investors of the Company for failing to despatch the Composite Document on or before 5 August 2026 and the further delay in despatch of the Composite Document. The Offeror and Company remain committed to full and timely compliance with the Takeovers Code and to cooperating closely with the Executive to ensure that the Composite Document is vetted and despatched to the Shareholders within the extended timeframe granted.
